SUMMARY

Enthusiastic Frontend Developer dedicated to crafting intuitive and high-performance web applications. I bring a wealth of experience, boasting over 3 years of expertise in the field of web development. As a passionate and ambitious web design professional, I am actively seeking new opportunities to contribute my skills to dynamic projects.

My background includes an associate degree in computer science, providing a strong foundation for my technical knowledge. Throughout my 3+ years of collaboration with a web development firm, I have honed my skills and gained valuable insights into the intricacies of creating engaging and user-centric digital experiences.
